OGYRC 2010 Annual Camp-Out at Blue & Gray Park Friday September 17, 2010 through Sunday September 19, 2010

Note: There is a \$5 per day permit fee for each horse trailer on the premises and each family will be expected to pay that fee separately when the Park Ranger comes around. Or you may purchase an annual permit for \$25 (good until December 31, 2010)

We're looking forward to having all of our members, friends and family join us for our annual camp-out again to kick off the end of this season! Please join us for some much needed R&R, fun for the family and just plain horsin' around!

We have reserved the whole camp ground at the "Camping for Organized Trail Rides" area (*see* map and directions on reverse side) of Blue & Gray Park in Grain Valley, Missouri. There are over 1,700 acres and about 29 miles of trails to ride on. Invite your family, invite your friends, invite their friends! The more the merrier!

Please bring your tents, sleeping bags, chairs and camping gear in general. You may also wish to bring panels and water buckets to set up for your horses and plan on staying all weekend! Grain Valley is just a few miles away with plenty of entertainment and amenities if needed. Dogs are also welcome if friendly towards people and horses but bring a tie-down just in case. There is no electricity or running water or shower facilities and the bathrooms are bare minimum-so come prepared.

Drinks for the weekend are provided. The Club will be providing lunch and dinner for everyone on Saturday. Please bring enough bacon, eggs and biscuits for your family to share for Sunday morning's communal breakfast and we will prepare.
